A note about the required books: They do not need to be new copies. Used bookstores are great places to get books at discounted prices, and texts can also be purchased both new and used online. Books can also be downloaded to e-reader devices such as tablets or laptops for use in the classroom. Furthermore, I will be providing an order form on registration day as well as on the first day of classes for students wishing to order the books through the school. I will be submitting this order during the first week of September.
