

Ceramics I

Prerequisites: Open to all levels

Level: 10th grade - 12th grade

Credits: 0.5

Course Description

This course is a semester course primarily concerned with hand-built ceramic techniques. The designing of containers and free form sculpture will be emphasized. Students will also work on major sculptural forms in media such as clay, plaster, paper mache and assemblage. Instruction in the materials, techniques, equipment, vocabulary and history of sculptural art is given. Emphasis is on skill development, craftsmanship, aesthetics, personal expression and historical analysis.
